

# Environmental Policy

E.M.UTICK Pty Ltd is a medium sized Australian owned company that manufactures workstation tops, joinery and storage for commercial furniture suppliers.

We are committed to conducting our business with due concern for the natural environment and with consideration of the local community and neighbours.

It is our intention to maintain a sustainable, environmentally responsible business which respects the quality of the environment and uses resources efficiently.

To this end we are committed to:

- Compliance with environmental laws and regulation
- Compliance with Ecolabelling Standard, Ecospecifier Global GreenTag - GreenRate
- Implementing pollution preventive practices
- Reducing, reusing and recycling our on-site waste wherever practical through our recycling program
- Implementing energy efficient practices
- Setting objectives and targets to assist us in reducing our environmental impacts
- Implementing staff training to ensure all staff are aware of the companies environmental objectives and targets
- Promote environmental awareness and training for our staff and supply chain
- Striving for continual improvement

**Our company's commitment extends to operating in accordance with the Australian Standard AS/NZ ISO 14001: 2004 Environmental Management System Requirements**

John Bryant  
Managing Director
